Le nouveau *Rapport financier d'un parti politique* doit être accompagné du rapport du vérificateur y afférent et de la déclaration de l'agent principal concernant les opérations financières.

Le *Rapport financier d'un parti politique* doit comporter les renseignements suivants :

- ❑ un état des contributions reçues par le parti enregistré, par catégories de donateurs, et le nombre des donateurs de chacune des catégories;
- ❑ les nom et adresse de chaque donateur qui a apporté une ou plusieurs contributions d'une valeur totale supérieure à 200 $ au parti directement ou par l'intermédiaire d'une de ses associations de circonscription ou d'une fiducie constituée pour l'élection d'un candidat;
- ❑ un état des contributions reçues d'une fiducie constituée par le parti enregistré;
- ❑ un état de l'actif et du passif et de l'excédent ou du déficit;
- ❑ un état des recettes et des dépenses selon les principes comptables généralement reconnus, y compris un état des créances contestées ou impayées;

- ❑ le compte des dépenses électorales pour chaque élection partielle tenue au cours de l'exercice comportant un état des dépenses payées, des dépenses engagées et des contributions non monétaires utilisées par le parti;
- ❑ un état des prêts et des sûretés, ainsi que des conditions afférentes, dont bénéficie le parti;

RAPPORT DU VÉRIFICATEUR

Au Bureau exécutif national du
BLOC QUÉBÉCOIS

J'ai vérifié le bilan non consolidé du Bloc Québécois au 31 décembre 2001 et les états non consolidés des résultats et de l'évolution des soldes de fonds de l'exercice terminé à cette date. La responsabilité de ces états financiers non consolidés incombe à l'agente principale du Bloc Québécois. Ma responsabilité consiste à exprimer une opinion sur ces états financiers non consolidés en me fondant sur ma vérification.

Ma vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que les états financiers non consolidés sont exempts d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans les états financiers non consolidés. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par l'agente principale, ainsi qu'une appréciation de la présentation d'ensemble des états financiers non consolidés.

A mon avis, ces états financiers non consolidés donnent, à tous les égards importants, une image fidèle de la situation financière du Bloc Québécois au 31 décembre 2001, ainsi que des résultats de son exploitation et de ses flux de trésorerie pour l'exercice terminé à cette date selon les principes comptables généralement reconnus du Canada à l'exception du fait qu'ils sont non consolidés comme le mentionne la note 2.

NOTES COMPLÉMENTAIRES
(non consolidées)

31 décembre 2001

1. STATUT ET NATURE DES ACTIVITÉS

Le Bloc Québécois est un parti politique enregistré auprès du directeur général des élections du Canada en vertu de la loi électorale du Canada.

2. PRINCIPALES CONVENTIONS COMPTABLES

États financiers non consolidés

Les états financiers ont été préparés conformément aux principes comptables généralement reconnus à l'exception du fait qu'ils ne sont pas consolidés avec ceux des circonscriptions, ayant été dressés pour l'usage interne du parti. Ce ne sont pas des états financiers à vocation générale et certains utilisateurs pourraient donc avoir besoin d'informations complémentaires.

Le rapport prescrit sera remis au directeur général des élections du Canada, accompagné du rapport du vérificateur au plus tard le 30 juin 2002. Ce rapport contiendra des renseignements consolidés de l'exercice terminé le 31 décembre 2001.

Immobilisations

Les acquisitions d'immobilisations sont imputées aux résultats de l'exercice.

Campagnes de financement et d'adhésion

Les revenus découlant des campagnes de financement, d'adhésion et de renouvellement de cartes de membres sont enregistrés sur la base des encaissements.

3. FLUX DE TRÉSORERIE

L'état non consolidé des flux de trésorerie n'est pas présenté, car il n'apporterait pas de renseignements supplémentaires utiles pour la compréhension des flux de trésorerie de l'exercice.

4. VIREMENTS INTERFONDS

Au cours de l'exercice 2000, le parti a reçu d'une personne décédée une contribution de 17 067 $ (1999, 221 906 $). Lors de sa réunion du 8 septembre 1999, le bureau de direction du parti a décidé d'utiliser les sommes provenant de cet héritage pour créer un fonds pour promouvoir la souveraineté du Québec et a adopté une résolution à cet effet.

Au cours de l'an 2000, « Fonds Lauzière pour la souveraineté » a été constitué en corporation sans but lucratif sous l'autorité de la Partie III de la Loi sur les compagnies du Québec et le parti lui a versé la totalité des sommes provenant de l'héritage, incluant les intérêts cumulés.

6. EMPRUNT BANCAIRE

Afin de financer les dépenses électorales, le Bloc Québécois s'est vu autoriser en octobre 2000 un prêt de 2 200 000 $ au taux préférentiel de la Caisse centrale majoré de 1%, échéant le 1er juillet 2001. Le prêt à demande était garanti par les sommes à recevoir du directeur général des élections à titre de remboursement des dépenses d'élection du parti et de ses candidats. De plus, le parti s'était engagé à ne pas nantir à d'autres prêteurs les actifs du parti. Au 31 décembre 2001 le prêt était entièrement remboursé.

8. EMPRUNT

Le Bloc Québécois a contracté auprès de « Fonds Lauzière pour la souveraineté » un emprunt de 200 000 $ sous forme de prêt à demande portant intérêt au taux à être établi annuellement selon la moyenne du meilleur taux que le parti pourrait obtenir pour un emprunt auprès d'une institution financière et le meilleur taux que le prêteur pourrait obtenir sur le marché pour un placement en valeur sûre. Les intérêts, au taux fixé à 3,75% pour l'année 2002, sont payables à la fin de chaque semestre.

9. ENGAGEMENTS CONTRACTUELS

Le Bloc Québécois a des engagements en vertu d'une offre de location pour ses locaux expirant le 30 mai 2004. Les loyers exigibles totalisent 90 224 $ et comprennent les versements suivants pour les prochains exercices : 2002, 35 515 $; 2003, 38 618 $; 2004, 16 091 $.

. ENGAGEMENTS CONTRACTUELS (suite)

De plus, en vertu de diverses ententes de location d'équipement, le Bloc Québécois s'est engagé à des déboursés contractuels qui totalisent 80 606 $ et qui comprennent les versements suivants pour les cinq prochains exercices : 2002, 21 583 $; 2003, 21 117 $; 2004, 17 257 $; 2005, 11 959 $; 2006, 8 690 $.

10. ÉVENTUALITÉS

Suite à un litige avec une ancienne employée, le Bloc Québécois doit verser une indemnité estimée à 6 000 $, lequel montant est provisionné aux états financiers. Ce montant est contesté par la plaignante qui réclame 33 651 $. De l'avis des conseillers juridiques du parti, la provision enregistrée aux livres est raisonnable.

Suite à la réclamation d'une créance au montant de 36 130 $ faite par le Bloc Québécois à un candidat du parti aux dernières élections générales, ce dernier a déposé une demande reconventionnelle pour atteinte à la réputation et pertes économiques et réclame au parti une somme de 630 000 $. De l'avis des conseillers juridiques du parti, il est présentement impossible de déterminer l'issue de ce dossier. Aucun montant n'a été provisionné aux états financiers relativement à la demande reconventionnelle.

Une provision de 15 000 $ a été enregistrée aux livres pour couvrir les déboursés prévus relatifs à ces dossiers.

11. REDEVANCES ATTRIBUÉES AUX AGENTS OFFICIELS

Les contributions et frais d'adhésion et de renouvellement de cartes de membres, reçus par le Bloc Québécois durant la période électorale, ont été attribués par le parti, à titre de redevance, au compte de l'agent officiel du candidat de la circonscription de résidence du donateur.

12. OPÉRATIONS ENTRE APPARENTÉS

Le Bloc Québécois a nommé un agent de circonscription dans chacune des 75 circonscriptions électorales fédérales du Québec. De ce fait, ces agents sont habilités à recueillir des contributions au nom du Bloc Québécois.

Les contributions et frais d'adhésion et de renouvellement de cartes de membres, reçus par le Bloc Québécois ou ses agents de circonscription, sont entièrement crédités, à titre de redevance, au compte de la circonscription de résidence du donateur ou du membre, sauf si ce dernier l'exige autrement par écrit.

Chaque circonscription doit cependant remettre au Bloc Québécois une quote-part annuelle et des frais d'administration relatifs aux adhésions et renouvellements de cartes de membres. Ces montants, ainsi que le pourcentage de redevance, sont établis annuellement par un conseil général.

In addition, if the contributor is a numbered company, the name of the chief executive officer or the president of the company must be disclosed. Part 12 - Statement of contributions returned to contributor or otherwise dealt with in accordance with the Act [424(2)(f)]

In this section, list the contributions received and deposited in the bank account or used by the chief agent or a registered agent but considered ineligible contributions under the Act. These contributions would include anonymous contributions, contributions from prohibited sources, and contributions that the chief agent wishes to return to the contributor for whatever reason.

If the chief agent is unable to determine to which class of contributor the contributor belongs, or if the contribution exceeds $200 and the chief agent does not know the name and address of the contributor and, in the case of a contribution by a numbered company, the name of the chief executive officer or the president, the chief agent must pay without delay the amount equal to the value of the contribution received from such a contributor to the Chief Electoral Officer, who will forward it to the Receiver General for Canada.

The following persons are not eligible to make a contribution to a party:
- a person who is not a Canadian citizen or a permanent resident of Canada as defined in subsection 2(1) of the *Immigration Act*;
- a corporation or an association that does not carry on business in Canada;
- a trade union that does not hold bargaining rights for employees in Canada;
- a foreign political party; and
- a foreign government or an agent of a foreign government.

If the chief agent or a registered agent receives a contribution from one of these sources, the chief agent must, within 30 days of becoming aware of the ineligibility of the contribution, return the contribution to the contributor. If that is not possible, the chief agent must forward the contribution to the Chief Electoral Officer, who will forward this amount to the Receiver General for Canada.

1. Enter the date that the contribution in question was received.
2. Enter the name of the contributor, if known.

   If the contributor is a numbered company, you must also provide the name of the chief executive officer or president of that company.
3. Enter the contributor's address and postal code, if known.
4. Enter the class of contributor, if known.
5. Enter the amount of the contribution.
6. Enter either the date the contribution was returned to the contributor, or the date that the contribution was forwarded to the Chief Electoral Officer.

Partie 12 - État des contributions retournées au donateur ou dont le parti a disposé en conformité avec la Loi [424(2)f)]

Énumérer dans cette section du rapport les contributions que l'agent principal ou un agent enregistré a reçues et qui ont été déposées dans le compte de banque ou utilisées, mais qui ne sont pas considérées admissibles selon la Loi. Ces contributions incluraient les contributions anonymes, les contributions provenant de sources interdites et les contributions que l'agent principal désire retourner au donateur pour quelque raison que ce soit.

Si l'agent principal est incapable d'établir à quelle catégorie le donateur appartient ou si la contribution est supérieure à 200 $ et qu'il ne connaît pas les nom et adresse du donateur ou, dans le cas d'une contribution d'une société à dénomination numérique, le nom du premier dirigeant ou du président de cette société, il doit remettre sans délai une somme d'argent égale à la valeur de la contribution reçue de ce donateur au directeur général des élections, qui la transmettra au receveur général du Canada.

Ne sont pas admissibles à apporter une contribution à un parti :
- une personne qui n'est ni citoyen canadien ni résident permanent au sens du paragraphe 2(1) de la *Loi sur l'immigration*;
- une personne morale ou une association qui n'exerce pas d'activités au Canada;
- un syndicat qui n'est pas titulaire d'un droit de négocier collectivement au Canada;
- un parti politique étranger;
- un État étranger ou un de ses mandataires.

En cas de réception d'une contribution d'une telle source, l'agent principal ou un agent enregistré doit, dans les 30 jours suivant le moment où il prend connaissance de l'inadmissibilité du donateur, remettre la contribution au donateur. Si ce n'est pas possible, il doit la remettre au directeur général des élections, qui la transmettra au receveur général du Canada.

1. Inscrire la date de réception de la contribution en question.
2. Inscrire le nom du donateur, s'il est connu.

   Si le donateur est une société à dénomination numérique, il faut également indiquer le nom du premier dirigeant ou du président de la société.

AUDITORS' REPORT

TO THE CHIEF AGENT FOR THE CANADIAN ACTION PARTY / PARTI ACTION CANADIENNE

We have audited the Political Party Financial Transactions Return of the Canadian Action Party / Parti Action Canadienne for the year ended December 31, 2001. This return is the responsibility of the Chief Agent. Our responsibility is to express an opinion on this return based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statement is free from material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

Our examination was designed to enable us to report as required under the Canada Elections Act. The Act does not require us to report that the accounting records include all the transactions of the Party and, thus, our examination was not designed to determine the extent of omissions, if any, from the accounting records.

In our opinion, this return of the Canadian Action Party / Parti Action Canadienne presents fairly the information contained in the accounting records on which the return is based.

Tranche 1 shall constitute revolving credit facilities and the Borrower may increase or decrease Tranche 1 Borrowings from the Lenders by obtaining Loans and by making repayments in respect thereof; PROVIDED THAT the Borrower agrees that Tranche 1 will be repaid in full for at least 10 consecutive Banking Days during the period comprised of the Calendar Quarter commencing on October 1 in each year and the 15 days immediately after the end of such Calendar Quarter.

No Lender shall have any obligation to make any Loans in respect of a Tranche if, after giving effect thereto, Borrowings from such Lender would at any time exceed the Applicable Commitment of such Lender under such Tranche.

3.2 Purpose

(a) Tranche 1 Accommodations shall be available for the general corporate purposes of the Borrower.

If all Lenders do not agree to a Request for Extension, the Tranche

1 Maturity Date shall not be extended. The failure of the Agent to deliver an Offer of Extension shall be deemed to be notification by the Agent to the Borrower that the Lenders have denied the Borrower's request.

(c) If the Agent has delivered to the Borrower an Offer of Extension, such offer shall be open for acceptance by the Borrower until the Banking Day immediately preceding the current Tranche 1 Maturity Date. Upon written notice by the Borrower to the Agent accepting an outstanding Offer of Extension and agreeing to the terms and conditions specified therein, the Tranche 1 Maturity Date shall be extended to the date three hundred sixty-four (364) days from the date of acceptance by the Borrower of the Offer of Extension and the terms and conditions specified in such Offer of Extension shall be immediately effective.

10.3 Waiver of Default

Any single or partial exercise by any Lender, the Agent or by the Agent on behalf of any Lender of any right or remedy for a default or breach of any term, covenant, condition or agreement contained in the Loan Documents shall not be deemed to be a waiver of or to alter, affect or prejudice any other right or remedy to which the Agent or such Lender may be lawfully entitled for the same default or breach, and any waiver by any Lender, the Agent or by the Agent on behalf of any Lender of the strict observance, performance or compliance with any term, covenant, condition or agreement contained in the Loan Documents, and any indulgence granted thereby, shall be deemed not to be a waiver of any subsequent default.

10.7 Lenders May Perform Covenants

If the Borrower shall fail to perform any covenant on its part herein contained, the Agent may on behalf of the Lenders and with the approval of the Majority Lenders, perform any of the said covenants capable of being performed by it and, if any such covenant requires the payment or expenditure of money, it may make such payment or expenditure with its own funds on behalf

of the Lenders and shall be entitled to reimbursement of any such expenditure from the Lenders based upon the proportion that each Lender's Commitment bears to the aggregate of Total Commitment. All amounts so paid by the Agent hereunder shall be repaid by the Borrower on demand therefor, and shall bear interest at the rate set forth in Section 6.2 from the date paid by the Agent hereunder to and including the date such amounts are repaid in full by the Borrower.

ARTICLE 11
EXPENSES AND INDEMNITIES

11.1 Reimbursement of Expenses and Indemnity

All statements, reports, certificates, opinions and other documents or information required to be furnished to the Agent or the Lenders by the Borrower under this Agreement shall be supplied by the Borrower without cost to the Agent or the Lenders. In addition, the Borrower hereby agrees to pay promptly to the Agent on demand all reasonable legal fees and all other reasonable out of pocket expenses which are incurred from time to time by the Agent in respect of the documentation, preparation, negotiation, execution, and administration of the Loan Documents (including stamp taxes or other Taxes payable in connection with the execution, delivery or enforcement of the Loan Documents) and all expenses which are incurred from time to time by the Agent or the Lenders in respect of the enforcement of this Agreement and any other Loan Documents.

11.2 Increased Cost

If, subsequent to the date of this Agreement, the introduction of, any change in or the implementation of any applicable law, regulation, treaty or official directive or regulatory requirement of general application now or hereafter in effect (whether or not having the force of law) or any change in the interpretation or application thereof by any court or by any judicial or governmental authority charged with the interpretation or administration thereof, or if compliance by any Lender with any request from any central bank or other fiscal, monetary or other authority (whether or not having the force of law):

(b) imposes, modifies or deems applicable any reserve, special deposit, capital adequacy, regulatory or similar requirement against assets or liabilities held by, or deposits in or for the account of, or loans by, or any other acquisition of funds for loans or commitments to fund loans or obligations in respect of bankers' acceptances accepted by a Lender; or

(c) imposes on a Lender any other condition with respect to this Agreement;

and the result of (a), (b) or (c) is, in the sole determination of such Lender acting reasonably and in good faith, to increase the cost to such Lender or to reduce the income receivable by such Lender in respect of a Borrowing or standby fees payable pursuant to Section 6.4, such Lender shall promptly notify the Agent. The Agent shall promptly notify the Borrower and the

Borrower shall pay to the Agent for the benefit of such Lender that amount which compensates such Lender for such additional cost or reduction in income (**"Additional Compensation"**) on the next date on which standby fees are payable under Section 6.2 in the case of standby fees and on the next Interest Date in any other case (and each such successive date, if applicable). If the Agent notifies the Borrower that Additional Compensation is owed, the Borrower shall pay such Additional Compensation to the Agent for the account of such Lender and the Borrower shall have the right, upon written irrevocable prior notice of at least three (3) Banking Days to the Agent at the Agent's Branch of Account, to make payment in full to the Agent for the account of such Lender in respect of the applicable Borrowing on the date specified in such notice together with accrued interest in respect of such Borrowing.

11.3 Illegality

If the introduction of or any change in applicable law, regulation, treaty or official directive, or regulatory requirement (whether or not having the force of law) or in the interpretation or application thereof by any court or by any governmental authority charged with the administration thereof, makes it unlawful, or prohibited for a Lender (acting reasonably and in good faith) to make, to fund or to maintain the Borrowings or a portion of the Borrowings or to perform its obligations under this Agreement, the Lender may, by written notice to the Borrower through the Agent terminate its obligations under this Agreement to make such Borrowings or perform such obligations and the Borrower shall prepay such Borrowings forthwith (or at the end of such period as the Lender in its discretion agrees acting in good faith) together with all accrued but unpaid interest and fees as may be applicable to the date of payment.

11.4 General Indemnity

The Borrower hereby covenants with the Agent and each Lender that it shall at all times hereafter keep the Agent and such Lender indemnified and held harmless from and against all suits (whether founded or unfounded), actions, proceedings, judgments, demands or claims instituted or made against the Agent or such Lender, and all costs, losses, liabilities, damages and expenses (including all reasonable legal fees on a solicitor and his own client basis) incurred by the Agent or such Lender in any way relating to, arising out of, or incidental to any environmental laws, any default by the Borrower under any provision of any of the Loan Documents any action or inaction or omission to do any act legally required of the Borrower or any subsidiary, or by reason of the Agent or the Lenders entering into the Loan Documents. This indemnity shall extend to the officers, directors, employees, agents, shareholders and assignees of the Agent and each Lender provided that this indemnity shall not apply to any matters caused by the gross negligence or willful misconduct of the Lenders or the Agent. This indemnity shall survive the termination of this Agreement.

ARTICLE 12
THE AGENT AND THE LENDERS

12.1 Authorization of Agent

Each Lender irrevocably appoints and authorizes the Agent to exercise such powers, perform such duties, take such actions, make such decisions and determinations and give such consents under the Loan Documents as are required to be exercised, performed, taken, made, given or otherwise carried out by the Agent hereunder or under any other agreement between the Lenders, together with all powers reasonably incidental thereto. As to any matters not expressly required by this Agreement or by any other agreement between the Lenders to be carried out by the Agent, the Agent is not required to exercise any discretion or take or to refrain from taking any action except upon the written instructions of the Majority Lenders. Notwithstanding anything to the contrary in this Agreement, the Agent shall not be required to exercise any discretion or to take or to refrain from taking any action in any manner which is contrary to the Loan Documents, to any other agreement between the Lenders or to applicable law.

12.2 Responsibility of Agent

The Agent makes no representation or warranty and accepts no responsibility with respect to the due execution, legality, validity, sufficiency, enforceability or priority of any of the Loan Documents nor with respect to the due execution, legality, validity, sufficiency, enforceability, accuracy or authenticity of any documents, papers, materials or other information furnished by the Borrower (or any other person, including the Agent) in connection with the Loan Documents, whether provided before or after the date of this Agreement. The Agent shall incur no liability to the Lenders under or in respect of the Loan Documents with respect to anything which it may do or refrain from doing in the reasonable exercise of its judgment or which may seem to it to be necessary or desirable in the circumstances, except for its gross negligence or willful misconduct. The Agent assumes no responsibility for the payment of any of the Borrowings or other amounts outstanding hereunder by the Borrower.

12.3 Acknowledgment of Lenders

Each Lender acknowledges to the Agent that it has been, and will continue to be, solely responsible for making its own independent appraisal of and investigation into the financial condition, creditworthiness, affairs, status and nature of the Borrower and accordingly each Lender confirms to the Agent that it has not relied, and will not hereafter rely on the Agent:

(a) **Information:** to check or inquire on its behalf into the adequacy, accuracy or completeness of any information provided by the Borrower or in connection with the Loan Documents (whether or not such information has been or is hereafter circulated to such Lender by the Agent);

(b) **Performance:** to inquire as to the performance by the Borrower of its obligations under the Loan Documents; or

(c) **Credit Review:** to assess or keep under review on its behalf the financial condition, creditworthiness, affairs, status or nature of the Borrower.

12.4 Rights and Obligations of Each Lender

The rights and obligations of each Lender under this Agreement are several and no Lender shall be obligated to make Borrowings available to the Borrower in excess of such Lender's Commitment. The failure of a Lender to perform its obligations under this Agreement shall neither:

(a) result in any other Lender incurring any liability whatsoever; nor

(b) relieve the Borrower, or any other Lender from their respective obligations to each other under any Loan Document.

Nothing contained herein or in any other Loan Document nor any action taken pursuant hereto or thereto shall be deemed to constitute the Lenders a partnership, joint venture or any other similar entity.

12.5 Determinations by Lenders

(a) **Lenders' Determinations:** Where the provisions of this Agreement provide that any waiver of or any amendment to any provision of the Loan Documents may be made or any action, consent or other determination in connection with the Loan Documents may be taken or given, with the consent or agreement of the Majority Lenders or "the Lenders" and not "all the Lenders", then any such waiver, amendment, action, consent or determination so made, so taken or so given with the consent or agreement of the Majority Lenders shall be binding on all of the Lenders and all of the Lenders shall cooperate in all ways necessary or desirable to implement and effect such waiver, amendment, action, consent or determination.

(b) **Deemed Non-Consent:** If the Agent delivers a written notice to a Lender requesting advice from such Lender as to whether it consents or objects to any matter in connection with the Loan Documents, then, except as otherwise expressly provided herein, if such Lender does not deliver to the Agent its written consent or objection to such matter within fifteen (15) Banking Days of the delivery of such written notice by the Agent to such Lender, such Lender shall be deemed not to have consented thereto upon the expiry of such fifteen (15) Banking Day period.

12.6 Notices between the Lenders, the Agent and the Borrower

All notices by the Lenders to the Agent shall be through the Agent's Branch of Account and all notices by the Agent to a Lender shall be through such Lender's Branch of Account. All notices or communications between the Borrower and the Lenders which are required or contemplated pursuant to the Loan Documents shall be given or made through the Agent at the Agent's Branch of Account.

12.7 Arrangements for Borrowings

The Agent shall promptly give written notice to each Lender at its Branch of Account upon receipt by the Agent of any notice given pursuant to Section 3.3, 3.4 or 5.3, provided that the Agent shall not be required to provide any such notice to each Lender if the Borrower is obligated to provide any such notice (or a copy thereof) directly to such Lender. The Agent shall advise each Lender of the amount, date and details of each Borrowing and of such Lender's participation in each Borrowing. At or before 11:00 a.m. (Calgary time) on the Drawdown Date each Lender will make available to the Borrower its share of Borrowings by way of Loans at the Agent's Account for Payments by forwarding to the Agent the amount of Loans required to be made available by such Lender.

12.8 Arrangements for Repayment of Borrowings

(a) **Prior to Demand and Acceleration:** Prior to the delivery of an Acceleration Notice or the occurrence of an Event of Default specified in subsection 10.1(b) or 10.1(c), upon receipt by the Agent of payments from the Borrower on account of principal, interest, fees or any other payment made to the Agent on behalf of the Lenders, the Agent shall pay over to each Lender at its Branch of Account the amount to which it is entitled under this Agreement and shall use its best efforts to make such payment to such Lender on the same Banking Day on which such payment is received by the Agent; provided that if such payments by the Borrower are received by the Agent after 1:00 p.m. (Toronto time), the Agent shall make such payment to such Lender on the immediately following Banking Day.

(b) **Subsequent to Demand and Acceleration:** Following the delivery of an Acceleration Notice or the occurrence of an Event of Default specified in subsection 10.1(b) or 10.1(c), the Lenders shall share any payments subsequently received in accordance with Section 10.4 of this Agreement.

12.9 Repayment by the Lenders to Agent

(a) **Where Borrower Fails to Pay:** Unless the Agent has been notified in writing by the Borrower at least one (1) Banking Day prior to the date on which any payment to be made by the Borrower hereunder is due that the Borrower does not intend to remit such payment, the Agent may, in its discretion, assume that the Borrower has remitted such payment when so due and the Agent may, in its discretion and in reliance upon such assumption, make available to each Lender on such payment date an amount equal to the amount of such payment which is due to such Lender pursuant to this Agreement. If the Borrower does not in fact remit such payment to the Agent, the Agent shall promptly notify each Lender and each such Lender shall forthwith on demand repay to the Agent the amount of such assumed payment made available to such Lender, together with interest thereon until the date of repayment thereof at a rate determined by the Agent (such rate to be conclusive and binding on such Lender) in accordance with the Agent's usual

banking practices for similar advances to financial institutions of like standing to such Lender.

(b) **Where a Lender Fails to Pay:** Unless the Agent has been notified in writing by a Lender at least one (1) Banking Day prior to a Drawdown Date that such Lender does not intend to make available the amount required to be made available by such Lender pursuant to this Agreement on such Drawdown Date, the Agent may, in its discretion, assume that such Lender has remitted funds to the Agent in an amount equal to the amount required to be made available by such Lender pursuant to this Agreement and the Agent may, in its discretion and in reliance upon such assumption, make available to the Borrower on such Drawdown Date an amount equal to the amount required to be made available by such Lender pursuant to this Agreement. If a Lender does not in fact remit such funds to the Agent, the Agent shall promptly notify such Lender and such Lender shall forthwith remit such funds to the Agent, failing which the Borrower shall forthwith on demand repay to the Agent (without prejudice to the Borrower's rights against such Lender) the amount made available by the Agent on behalf of such Lender, in each case together with interest thereon until the date of repayment thereof at the lesser of a rate determined in accordance with the Loan Documents and a rate determined by the Agent (such rate to be conclusive and binding on such Lender or the Borrower, as the case may be) in accordance with the Agent's usual banking practice for similar advances to financial institutions of like standing to such Lender.

12.10 Adjustments Among Lenders

(a) **Adjustments to Outstanding Borrowings:** Each Lender agrees that, after the delivery of an Acceleration Notice or the occurrence of an Event of Default specified in subsection 10.1(b) or 10.1(c), it will at any time and from time to time upon the request of the Agent as required by any Lender purchase portions of the Borrowings made available by the other Lenders which remain outstanding and make any other adjustments which may be necessary or appropriate, in order that the amount of Borrowings made available by each Lender which remain outstanding, as adjusted pursuant to this Section 12.10, will be in the same proportion as the Lender's Proportion of such Lender.

(b) **Application of Payments:** The Lenders agree that, after the delivery of an Acceleration Notice or the occurrence of an Event of Default specified in Section 10.1(b) or 10.1(c), the amount of any repayment made by the Borrower under this Agreement, and the amount of any proceeds from the exercise of any rights or remedies of the Lenders under the Loan Documents, which are to be applied against amounts owing hereunder, will be so applied in a manner so that to the extent possible the amount of Borrowings made available by each Lender which remain outstanding after giving effect to such application will be in the same proportion as the Lender's Proportion in respect of the Credit Facilities of such Lender.

S:\C45831\00034\15\0062-4-agr.doc

(c) **Receipt of Payments other than Borrowings:** Notwithstanding anything contained in this Section 12.10, there shall not be taken into account for the purposes of computing any amount payable to any Lender pursuant to this Section 12.10, any amount which a Lender receives as a result of any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of any monies owing by the Borrower to such Lender other than on account of liabilities arising under the Loan Documents; provided that, if at any time a Lender receives any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of monies owing or payable to it by the Borrower in respect of liabilities of the Borrower arising under the Loan Documents, such Lender shall purchase portions of the Borrowings made available by the other Lenders which remain outstanding to the extent required pursuant to subsection 12.10(a).

(d) **Further Assurances:** The Borrower agrees to be bound by and, at the request of the Agent, to do all things reasonably necessary or appropriate to give effect to any and all purchases and other adjustments made by and between the Lenders pursuant to this Section 12.10, provided the Borrower shall incur no increased indebtedness, in aggregate, by reason thereof.

12.11 Lenders' Consents to Waivers, Amendments, etc.

(a) **Unanimous Consent:** Notwithstanding anything herein to the contrary and without in any way limiting the context of any provision in this Agreement requiring the consent, approval or action of all Lenders, the following matters shall require written approval, consent or agreement, as the context requires of all Lenders:

(i) a change in the types of Borrowings, interest rates, standby fees, or the amount of any payments payable by the Borrower to the Lenders under this Agreement and including any waiver of the time of payment of any amounts payable to the Lenders under this Agreement or any change in the notice periods provided for hereunder;

(ii) a release or discharge of the Security or any part thereof, unless otherwise expressly permitted in this Agreement;

(iii) an increase in the Commitment of any Lender or a decrease in the Commitment of any Lender other than as provided for herein;

(iv) an assignment or transfer by the Borrower of any of its rights and obligations under this Agreement other than as expressly contemplated or provided for hereunder;

(v) a change in the definition of "Majority Lenders";

and the Agent shall assume no responsibility and shall incur no liability to the Borrower or any Lender by reason of relying on any such document or acting on any such advice.

12.14 Sharing of Information

The Borrower authorizes the Agent and each Lender to share among each other and with any successor, assignee, or any potential assignee, any information possessed by it regarding the Borrower or the Loan Documents.

12.15 Successor Agent

Subject to the appointment and acceptance of a successor agent as provided in this Section 12.15, the Agent may resign at any time by giving thirty (30) days' written notice (the "Resignation Notice") thereof to each of the Lenders and the Borrower. Upon such resignation, the Majority Lenders shall forthwith upon receipt of the Resignation Notice appoint a Successor Agent (the "Successor Agent") to assume the duties of the resigning Agent. Any Successor Agent appointed under this Section 12.15 shall be a Lender which has offices in Calgary, Alberta and Toronto, Ontario. If the Majority Lenders fail to appoint a Successor Agent within thirty (30) days of receipt of the Resignation Notice, then the retiring agent may, on behalf of the Lenders appoint a Successor Agent. Upon the acceptance of any appointment as Agent by a Successor Agent such Successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring agent as Agent, and the retiring agent shall be discharged from its duties and obligations under this Agreement as Agent. After any retiring agent's resignation hereunder as the Agent, the provisions of this Agreement shall continue in effect for its benefit and for the benefit of the Lenders in respect of any actions taken or omitted to be taken by the retiring agent while it was acting as the Agent.

12.16 Amendment of this Article 12

Save and except for the provisions of Section 12.15, the provisions of this Article 12 may be amended or added to, from time to time, without the agreement of the Borrower provided such amendment or addition does not adversely affect the rights of the Borrower hereunder or increase, in aggregate, the liabilities of the Borrower hereunder. A copy of the instrument evidencing such amendment or such addition shall be forwarded by the Agent to the Borrower as soon as practicable following execution thereof.

12.17 Indemnity of Agent

Each Lender hereby agrees to indemnify the Agent (to the extent not reimbursed by the Borrower), as to its Lender's Proportion from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, out-of-pocket costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Agent in any way relating to or arising out of this Agreement or the other Loan Documents or any action taken or omitted by the Agent under or in respect of this Agreement or the other Loan Documents provided that the Lenders shall not be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Agent's gross negligence or willful misconduct. Without limiting the generality of the foregoing, each Lender agrees to reimburse the Agent promptly

upon demand for its Lender's Proportion of any out-of-pocket expenses (including counsel fees) incurred by the Agent in connection with the preservation of any rights of the Agent or the Lenders under, or the enforcement of, or legal advice in respect of rights or responsibilities under, this Agreement and the other Loan Documents, to the extent that the Agent is not reimbursed for such expenses by the Borrower.

ARTICLE 13
SUCCESSORS AND ASSIGNS

13.1 Successors and Assigns

The Borrower (other than as otherwise permitted hereunder) may not assign its rights or obligations hereunder without the prior written consent of all of the Lenders. If an Event of Default has occurred and is continuing, a Lender may, at its sole cost and expense, with the prior consent of the Agent (such consent not to be unreasonably withheld) but without the Borrower's consent, assign in whole or in part its rights and obligations under this Agreement and the other Loan Documents to a person resident in Canada within the meaning of the *Income Tax Act* (Canada). If no Event of Default has occurred, a Lender may, at its sole cost and expense, with the prior consent of the Agent and the Borrower (such consents not to be unreasonably withheld), assign in whole or in part its rights and obligations under this Agreement and the other Loan Documents to a chartered bank under the *Bank Act* (Canada) resident in Canada; provided any such assignment is for a minimum Commitment of Cdn. $1,000,000, and, if assigned in part only, such assignor Lender would thereafter retain for its own account a Commitment of at least Cdn. $1,000,000. Upon any assignment by a Lender to an assignee in accordance with the foregoing provisions of this Section 13.1 (a "Permitted Assignee"), the Permitted Assignee shall, to the fullest extent permitted by law, have the same rights and benefits hereunder and under the other Loan Documents and the same continuing obligations as it would have if it were such Lender hereunder; provided, however, that the Agent and the Borrower shall be entitled to continue to deal solely and directly with the assignor Lender in connection with the interests so assigned unless and until such assignee becomes a Lender pursuant to a Lender Assignment Agreement executed by such assignee, the relevant assignor Lender and the Agent and, prior to an Event of Default, acknowledged by the Borrower. Upon (i) such execution of such Lender Assignment Agreement, (ii) delivery of an executed copy thereof to the Borrower and the Agent, (iii) assignment of the relevant Security, if any, (iv) payment by such assignee Lender to such assignor Lender of an amount equal to the purchase price agreed between such assignor Lender and such assignee Lender, and (v) payment by the assignor Lender of Cdn. $2,500 to the Agent, such assignor Lender shall be released from its obligations hereunder to the extent of such assignment and such assignee Lender shall for all purposes be a Lender party to this Agreement and shall have all the rights and obligations of a Lender under this Agreement to the same extent as if it were an original party hereto, and no further consent or action by the Borrower, the Lenders or the Agent shall be required.

(iv) such information concerning the Collateral, the Debtor and its business and affairs as the Agent may reasonably request;

(g) if requested by the Agent (acting reasonably), it shall use all reasonable commercial efforts to obtain a written agreement from each of its landlords in favour of the Agent and in form and substance satisfactory to the Agent, whereby such landlord acknowledges the Security Interest and the right of the Agent to enforce the Security Interest in priority to any claim of such landlord;

S:\C45\83\80004\15\0004-3-agr.doc

5.3 Expenses

The Debtor shall pay to the Agent, on demand, all of the Agent's reasonable costs, charges and expenses (including, without limitation, legal fees on a solicitor and his own client basis and Receiver's fees) in connection with the preparation, registration or amendment of this Agreement, the perfection or preservation of the Security Interest, the enforcement by any means of any of the provisions hereof or the exercise of any rights, powers or remedies hereunder, including, without limitation, all such costs, charges and expenses in connection with taking possession of Collateral, carrying on the Debtor's business, collecting the Debtor's accounts and taking custody of, preserving, repairing, processing, preparing for disposition and disposing of Collateral, together with interest on such costs, charges and expenses from the dates incurred to the date of payment at the Default Rate.

ARTICLE VI
SECURITIES

6.1 Securities

If the Collateral at any time includes Securities, the Debtor authorizes the Agent to transfer the same or any part thereof into its own name or that of its nominee or nominees so that the Agent or its nominee or nominees may appear as the sole owner of record thereof; provided that, until the occurrence of an Event of Default which is continuing, the Agent shall deliver promptly to the Debtor all notices or other communications received by the Agent or its nominee or nominees as such registered owner and, upon demand and receipt of payment of any necessary expenses thereof, shall grant to the Debtor or its nominee a proxy to vote and take all action with respect to such Securities. After the occurrence of an Event of Default which is continuing, the Debtor waives all rights to receive any notices or communications received by the Agent or its nominee as such registered owner and agrees that no proxy granted by the Agent to the Debtor or its nominee or nominees as aforesaid shall thereafter be effective. The Debtor shall be entitled to receive all dividends (whether paid or distributed in cash, Securities or other property) and

interest declared and paid or distributed in respect of the Collateral, and such dividends and interest shall cease to be subject to the Security Interest if paid or distributed to the Debtor prior to the occurrence of an Event of Default which is continuing but not otherwise.

ARTICLE VII
COLLECTION OF DEBTS

7.1 Collection of Debts

After the occurrence of, and during the continuance of, an Event of Default, the Agent may give notice of the Security Interest to any Person obligated to pay any debt or liability constituting Collateral and may also direct such Person to make all payments on account of any such debt or liability to the Agent. The Debtor acknowledges that any payments received by the Debtor from such Persons after an Event of Default which is continuing, whether before or after notification of the Security Interest to such Persons, shall be received and held by the Debtor in trust for the Agent and shall be turned over to the Agent upon request. After the occurrence of an Event of Default which is continuing, the Debtor agrees to deposit all Proceeds resulting from the disposition of Inventory into its account with a bank and a branch location approved by the Agent from time to time or at any time and to inform such bank of the Security Interest and the trust established herein in favour of the Agent attaching to the funds in such account.

ARTICLE VIII
EVENTS OF DEFAULT AND REMEDIES

8.1 Acceleration

Upon the occurrence of an Event of Default or at any time thereafter, the Agent, in its sole discretion, may declare all or any part of the Obligations which is not by its terms payable on demand to be immediately due and payable, without demand or notice of any kind. The provisions of this Security Agreement are not intended in any way to and shall not affect any rights of the Agent or the Lenders with respect to any Obligations which may now or hereafter be payable on demand.

8.2 Appointment of Receiver

Upon the occurrence of an Event of Default or at any time thereafter, the Agent may appoint by instrument any Person, whether an officer or an employee of the Agent or not, to be a Receiver of Collateral and may remove any Receiver so appointed and appoint another in place of such Receiver in the same manner. Any such Receiver shall be deemed the agent of the Debtor and not of the Agent for the purpose of (i) carrying on and managing the business and affairs of the Debtor, and (ii) establishing liability for all acts or omissions of the Receiver while acting as such, and the Agent shall not be in any way responsible for any acts or omissions on the part of any such Receiver, its officers, employees and agents. The Debtor hereby irrevocably authorizes the Agent to give instructions to the Receiver relating to the performance of its duties and to determine from time to time the Receiver's remuneration. To the extent permitted by law, the Debtor hereby irrevocably waives any right it may have now or in the future under any

applicable law, including, without limitation, the PPSA, to make application to a court for the removal, replacement or discharge of the Receiver or for directions on any matter relating to the duties of the Receiver (unless such duties are not being performed in a commercially reasonable manner) or in respect of the Receiver's accounts or remuneration or in respect of any other matter.

Subject to the provisions of the instrument appointing it, any such Receiver shall have all of the rights and remedies of a secured party under the PPSA and the power to take possession of Collateral, to use the Collateral in such manner as it considers appropriate, to preserve Collateral or its value in such manner as it considers appropriate, to carry on or concur in carrying on all or any part of the business of the Debtor and to sell, lease or otherwise dispose of or concur in selling, leasing or otherwise disposing of Collateral in such manner and on such terms, including terms for deferred payment, as it considers to be commercially reasonable. To facilitate the foregoing powers, any such Receiver may enter upon, use and occupy all premises owned or occupied by the Debtor wherein Collateral may be situate to the exclusion of all others to the extent permitted by law, including the Debtor, maintain Collateral upon such premises, borrow money on a secured or unsecured basis, incur reasonable expenses in the exercise of the rights, powers and remedies set out in this Agreement and use Collateral directly in carrying on the Debtor's business or as security for loans or advances to enable it to carry on the Debtor's business or otherwise, as such Receiver shall, in its discretion, determine. In addition, the Receiver shall have the following rights, powers and remedies:

(a) to make payments to Persons having prior rights or Liens on properties on which the Debtor may hold a Lien and to Persons having prior rights or Liens on the Collateral; and

(b) to demand, commence, continue or defend proceedings in the name of the Agent or of the Receiver or in the name of the Debtor for the purpose of protecting, seizing, collecting, realizing or obtaining possession or payment of the Collateral and to give effectual receipts and discharges therefor.

Except as may be otherwise directed by the Agent, all Proceeds received from time to time by such Receiver in carrying out its appointment shall be received in trust for and paid over to the Agent. Every such Receiver may, in the discretion of the Agent, be vested with all or any of the rights and powers of the Agent.

8.3 Exercise of Remedies by Agent

Upon the occurrence of an Event of Default which is continuing, the Agent may, either directly or through its agents or nominees, exercise all the powers and rights available to a Receiver by virtue of Section 8.2. In addition to the rights granted in this Agreement and in any other agreement now or hereafter in effect between the Debtor and the Agent and in addition to any other rights the Agent may have at law or in equity or otherwise, the Agent shall have, both before and after the occurrence of an Event of Default which is continuing, all rights and remedies of a secured party under the PPSA.

ARTICLE IX
APPLICATION OF PROCEEDS

9.1 Application of Proceeds

Subject to applicable law and to any applicable provisions of the Credit Agreement, all Proceeds arising from the enforcement of the Agent shall be applied against the Obligations in such manner as the Agent, in its absolute discretion, determines or at the option of the Agent may be held unappropriated in a collateral account or released to the Debtor, all without prejudice to the liability of the Debtor or the rights of the Agent or any Receiver, and any surplus shall be accounted for as required by law.

ARTICLE X

10.6 No Merger

This Security Agreement shall not merge in any subsequent security or be taken to be a substitute for any security of any nature whatsoever held by the Agent or Lender from the Debtor. It is further agreed that the taking of this Security Agreement shall not operate as a merger of the remedies of the Agent for payment, satisfaction or performance of the Obligations or of the remedies of the Agent under any other agreement and notwithstanding this Security Agreement and anything herein contained the said remedies shall remain available and be capable of enforcement against the Debtor and all other persons liable in respect thereof in the same manner and to the same extent as if this Security Agreement had not been made.
